

The following brief history is the memories and relationship and history of relationship of myself Samuel Goddard with the Yoho, Garner, Baker, Goddard, Fair, and many other families.

I was born January 13, 1830 on Fish Creek three miles above it's mouth in Marshall County, Virginia, now West Virginia.

I wish to state that I was personally acquainted with Henry Yoho herein mentioned, as I boarded at his home three months while going to school when I was about 10 years old.

The old gentlemen would tell me Indian stories till I was afraid to look out the window. One story in particular I wish to relate here. When he was an especial associate of Lewis Wetzel, Adam Poe and Simon Gerty. Other Indian fighters had their headquarters at Fort Wheeling where the city of Wheeling now stands. He and five other Indian scouts or hunters started from the fort one morning and rode down to Grave Creek or Moundsville, as it is now called, on a hunt for Indians. They hunted all day and on their return in the evening about 3 or 4 miles above Moundsville, they were attacked by a dozen Indians. The man what was riding in front was shot down, and Henry Yoho was next riding a black mare which was shot through the neck and fell with it's rider and falling on his foot, held him fast till the Indians got within ten steps of him, the other four men having fled. All at once his horse rallied and sprang to her feet and saved her rider, as the mare rose several tommyhawks flew past Yoho's head, but he escaped unhurt. The old gentleman told many other Indian stories too numerous to mention.

Henry Yoho, my great grandfather on my mother's side, was born about 1765, raised one son and six daughters. Named below.

George Yoho	married	Jane Hartley
Polly Yoho	"	Joshua Garner (he being my grandfather on my mother's side and of English descent)

Mr. Parsons also stated he has a... from Ohio Co. Va., although he did not say) in which HENRY AND CATH-APINE YOH0 sold land to Joshua Garner, who was their son-in-law. To Be Continued.

In Ohio Co. Va. dated 24 Mar. 1823, it seems that 3 of this Peter's heirs sold his property to a Henry Yoho, Jr. (see the column dated Aug. 3,

"The price was \$450.00 for a certain piece of land in Ohio Co. Va. on Fish Creek, being part of an original survey granted to Abijah McClain by patent the first day of Sept. 1785, and conveyed by said McClain to Peter Yoho, being nine undivided shares

or parts of said 170 acres, the whole consisting of eleven undivided parts of 15 acres." Therefore, from this information Peter must have had 11

heirs at his death. I think that Henry Yoho, Jr., (which designation does not always mean "son" but sometimes "nephew") was son of Peter, and per-

haps nephew of Henry, Henry, Jr., probably held one/eleventh part in his own right, with another heir some-

place to make the 11th one. Mr. Parsons also told me that Ohio Co. Deed Book 18, page 379 shows that Simon Archer and his wife, Margaret Yoho, sold a share of the same 170 acres to Henry Yoho Jr., so she must have been the 11th heir. This Simon Archer was not the son of Capt. James Archer of Monroe Co.

Mrs. Pinnick's material also mentions "HENRY YOH0 (Rev. Soldier) who mar. Elizabeth Baker," so that is where I got the information in the July 27, 1873 column. (See also sold

BAKER-YOHO (1)

There are certain ground rules for genealogical research, and one of these is to be specific about sources of information to prove lineage. In the interests of posterity and in the event these columns are ever read by future generations, I do try to give my sources of information. Trying to reconstruct early Monroe Co. families is a difficult task at best, and there is sometimes conflicting information to be had, so it seems apparent that in such cases of conflicting information the reader will just have to judge for himself which source is the more credible, or else set out to prove it for himself.

The above paragraph was occasioned by a letter I received from Mr. Dean E. Parsons, 8818 E. Durante Road, San Gabriel, California 91775. He states he is descended through 4 lines from Capt. John Baker and his wife, Elizabeth Sullivan Baker. She is buried in the Steed Cemetery near Woodsfield (see these columns under date of Feb. 8, 1968, July 13, and July 27, 1972. Capt. John was killed by Indians near Baker's Station. The exact location of that Fort is given in W.Va. History, Vol. 1, #2, Jan. 1940 - page 121 - "Bakers Fort was erected in 1782 by Capt. John Baker and located at the head of Cresaps Bottom, Mead District now Marshall Co. W. Va. It was designated in many contemporary records as Bakers Station and sometimes as Cresaps Fort." Other sources locate it as being a little way below the mouth of Captina Creek (Which flows into the Ohio River a short distance north of the Monroe-Blemont Co. line) on the Virginia side of the river.

He brought to my attention some conflicting information given in those earlier columns, so let us try again this week to see if we can see where the error lies. Mr. Parsons stated that in the July 27, 1972 article I stated that Henry Yoho (Rev. Soldier) mar. an Elizabeth Baker, and in the July 13, 1972 article I stated that the same Henry Yoho had married a Catharine (presumably Baker.)

So I am caught with my names mixed - now to see where I got the information I used in those columns. Among the notes in my oversized file on the Baker family, I find this: "Mrs. Ada Finnicum, 210 So. G. St., Lompac, California 93436, has proven (Rev.) service for Peter G. Yoho, who married Catharine". From a deed record

Caty who mar. John Parsons -- All this is erroneous too, I believe, based on further information from Mr. Dean Parsons to be given in next week's installment. The DAR Patriot Index states this Rev. Soldier (HENRY YOHO 1752-1845) was married to a lady named Catharine (and according to Mr. Dean Parsons, she was nee Baker). So the information in the July 13 column, 1972, came from the DAR Patriot Index, which I would take as being more probably correct. After writing these columns for about 5 years, it is impossible for me to remember every name and date I use. Mrs. Marjorie Killander, a genealogist friend of mine, is attempting to index all the names in these columns, so when that is done, perhaps finding things will be much simpler.

If Henry Yoho's wife was Catharine Baker, then Mrs. Finnicum probably has the name of Catharine for Peter Yoho (brother of Henry) also in error.

Mr. Parsons believes that the Rev. Soldier, PETER YOHO, was married to MARGARET BAKER, and that Catharine Baker and Margaret Baker were twin daughters of Capt. John Baker. He said that Peter Yoho is listed in the 1820 census in Ohio Co. Va. over 45, but not in the 1830 census. However, in 1830 there is a MARGARET

with one daughter, 15/19. He also has a record of the sale of this Peter's property on Oct. 1823, and Christian Gatts was the administrator. This is probably recorded in Ohio Co. W. Va. although he did not so state.

The use of the same given names in succeeding generations further frustrates efforts to untangle these families. In Washington Co. Pa. -- Will Book 1, page 98, there is a will for Christian Kitts, dated Nov. 29, 1788, probated April 1, 1789, and his children were Andrew, Nicholas, Christian, (Jr.) Mary Elizabeth, only daughter. The executors were his brothers George and Valentine. George Kitts is probably the same as the Belmont Co., Rev. Soldier, George Gates, whose name is given in different sources as Kitts, Gates, Goetz, Gatts, etc. and this too tends to add to the confusion.

Mr. Parsons also stated he has a land transaction dated 1838 (probably from Ohio Co. Va.) although he did not say) in which HENRY AND CATHARINE YOHO sold land to Joshua Garner, who was their son-in-law. To Be Continued.

#

In Ohio Co. Va. dated 24 Mar. 1828, it seems that 9 of this Peter's heirs sold his property to a Henry Yoho, Jr. (See the column dated Aug. 3, 1972) Mr. Parsons wrote for this record and gave me this information: "The price was \$450.00 for a certain piece of land in Ohio Co. Va. on Fish Creek, being part of an original survey granted to Abijah McClain by patent the first day of Sept. 1785, and conveyed by said McClain to Peter Yoho, being nine undivided shares or parts of said 170 acres, the whole consisting of eleven undivided parts or shares." Therefore, from this information Peter must have had 11 heirs at his death. I think that Henry Yoho, Jr., (which designation does not always mean "son" but sometimes "nephew") was son of Peter, and perhaps nephew of Henry. Henry, Jr., probably held one/eleventh part in his own right, with another heir someplace to make the 11th one. Mr. Parsons also told me that Ohio Co. Deed Book 19, page 379 shows that Simon Archer and his wife, Margaret Yoho, sold a share of the same 170 acres to Henry Yoho Jr., so she must have been the 11th heir. This Simon Archer was not the son of Capt. James Archer of Monroe Co.

Mrs. Finnicum's material also mentions "HENRY YOHO (Rev. Soldier) who mar. Elizabeth Baker," so that is where I got the information in the July 27, 1972 columns. (She also said the children of this couple were Geo. Yoho, mar. Rachel Garner, James Yoho, who mar. Polly Garner, twins Elizabeth who mar. Thos. Ruckman, and Margaret who mar. H. Parsons and

BAKER - YOHO - 2nd installment

This is the way Mr. Dean Parsons traces his lineage on 4 lines back to Capt. John and Elizabeth Baker. Two are on his paternal side, and two on his maternal side.

PATERNAL (1) - His grandfather, Wilfred W. Parsons (2/13/1878 - 4/19/1943) was the son of Henry Seth Parsons (10/12/1846 - 6/27/1877) and Mary Ellen Garner (8/22/1848 - 8/13/1883) Mary Ellen was the dau. of Henry Garner (9/15/1812 - 3/13/1901) who in turn was the son of Joshua Garner (1781 - Oct./1867) and Mary Yoho, who was the dau. of Henry Yoho and Catharine Baker, dau of Capt. John Baker.

(2) - Henry Seth Parsons (see above, was the son of Joseph Parsons (D. 11/8/1846) and Margaret Yoho (8/18/1816 - 8/7/1887) who had a twin sister Catharine Yoho mar. to Jeahue Parsons, brother of this Joseph) and Margaret Yoho Parsons was the dau. of Henry Yoho and Annabelle Buchanan (B. 1780 - D. 1/3/1868. This Henry was the son of Margaret Baker and Peter Yoho (Rev. Soldier) with Margaret being the dau. of Capt. John Baker.

His maternal lines (3) and 4)) go like this: (3) His grandmother was Rosa Bell Goddard Parsons (4/19/1878 - 11/13/1950) who mar. Wilfred W. Parsons - see (1) above. She was the daughter of Robert Randolph Goddard (5/1/1849 - 1/16/1932) and his wife, Catharine "Cassie" Yoho (4/15/1848 - 8/7/1916). Cassie Yoho, in turn, was the dau. of George Yoho (12/12/1808 - 8/17/1890) and his wife Rachel Garner (2/29/1808 - 9/25/1868). Here is where he picks up the 4th line - George Yoho was the son of HENRY AND ANNABELLE YOHO (see also 2 above) and Rachel Garner Yoho was the dau. of Joshua Garner, (b. 1781 - d. Oct. 1867) and his wife Mary Yoho. Going back through Henry Yoho, he gets to Peter Yoho, Rev. Soldier and Margaret Baker Yoho, dau. of Capt. John Baker; and going back through Mary Yoho Garner, we find she was the dau. of Henry Yoho (Rev. Soldier) and Catharine Baker, dau. of Capt. John Baker (see also #1 above.)

The only way to really do this family is to chart it, and perhaps use different colored inks for the various lines. Writing it down in this manner becomes confusing after a few generations. That is why I like for people to chart their families when writing to me for information. After a few letters of this type, I really begin to become dizzy. I guess one could use the chart that was printed some weeks previously to sort out all the relationships here, but the very

Yoho, mar. Thomas Ruckman. I imagine all these persons lived in W. Va., but Mr. Dean Parsons did not state where they lived.

The mother in the above family, Annabell Buchanan Yoho, was the daughter of William Buchanan, late of the county of Monongalia, whose will can be found in Ohio Co. Will Book II, page 60 - dated 21 Jan. 1813, and proved at Aug. term. He left bequests to "my dau. Geen Morigin, \$20.00 to be paid when my land in Monongalia Co. is sold," also bequests to his children, MARGARET STRAYER, MARY GRAMHAM, ANIBEL YOHO, REBECCA BURTON, ELONER RINE, WILLIAM BUCHANAN, EBENEZER BUCHANAN, Granddaughter Mary Brattan, and son-in-law JOHN STRAYER.

There was a William Buchanan who lived near Buchanan Church outside of Woodsfield on the Lewisville Road - he could have been the Wm. in this will, but I have not specifically tried to prove that assumption.
(To be continued.)

thoughts of trying to start on this family, gives me mal-de-mer. Mr. Dean Parsons says he subscribes to this paper, just to read this column, so perhaps he will take the hint and make a chart, and send me a copy.

Mr. Parsons sent me a chart of the children in the Family of Henry Yoho and Annabell Buchanan family. He seems to think that Mrs. Finnicum has information on the Rev. Soldier Henry Yoho's family mixed up with Henry and Annabelle family. He has been in contact with a Mrs. Golda Booth of Moundsville, W. Va. a granddaughter of Jeahue Parsons and Catharine Yoho, and her mother was the source of her information on the Henry-Annabell Yoho Family.

She took the dates for this Henry Yoho from his tombstone - Oct. 28, 1781 - Dec. 5, 1862 and also stated that these dates were from Annabell's tombstone Nov. 23, 1780 - Jan. 31, 1873.

The children, according to Mrs. Booth were JAMES YOHO, born 1-27-1818, died 7-25-1900, mar. Polly (Mary) Garner; (2) GEORGE YOHO 12-21-1808 - 8-17-1890 - mar. Rachel Garner; (3) PETER YOHO 12-12-1808 - 3-23-1887 - mar. Mary L. Mayhall (4) HENRY B. YOHO - 4-10-1826 - 1-24-1908 - mar. Catherine Kelley; (5 & 6) Catherine Yoho - died 7-21-1876 mar. Jeahue Parsons and her twin, (5 & 6) Margaret Yoho - died 8-7-1887, mar. Joseph Parsons; (7) Mary Yoho - b. 1823 . mar. Wm. Yoho (8) Elizabeth

BAKER - YOHO -- 3rd Installment

From all the information available to me, it seems that CAPT. JOHN BAKER had 11 children. Capt. John (according to the DAR PATRIOT INDEX) was b. circa 1740 and was killed by Indians in 1787. Elizabeth Sullivan Baker, his wife, is buried in Steed's cemetery near Woodsfield, and her tombstone indicates that she died May 22, 1836, aged 92 years, 3 months, and 8 days, therefore, born circa Feb. 14, 1744. I gave information in this column, under date of Feb. 8, 1968, on these children, but since that was 5 years ago, I guess the information will bear repeating, and updating. These children are not in order of birth, except where such information was available to me.

(1) Henry Baker. He is supposed to have died in 1847/48, aged 85. If true that would place his birth circa 1762/63, and also, if true, when Capt. John was about 23, and Elizabeth 19, but she may not have been his mother - see (6) given later. Henry was supposedly captured by Indians in 1781 when he was about 18 years old but must have been rescued, or made his escape some way, as some sources show that he married Elizabeth Parr in 1785, and then Nancy Swaney in Belmont Co. Ohio Feb. 24, 1825. That record is supposed to be in Belmont Co. I also have a note that the Moundsville, W. Va. library has some information on him.

(2) Margaret Baker Yoho, wife of Peter Yoho (Rev. Soldier) The 1830 census according to Mr. Parsons gives her age in 1830 as 60/70, which would give her a birth date of 1760/1770.

(3) Catherine Baker Yoho, wife of Henry (Rev. Soldier) She was supposed to be a twin to Margaret, so born between 1760/1770.

(4) Jacob Baker. He was born in 1775 and died in 1861. His descendants are given in this column under date of Feb. 8, 1968, and also in my book, Monroe Co. Ohio Records, Vol. VI, p. 82-86. He married Mary Steen, see Deed Book 1, Jefferson Co., Ohio, which clearly states, "Jacob Baker of Va." the name of Steen, according to Dr. Raymond Bell of Washington, Pa., is also the same as Stephens. An Andrew Stephens (Steen) lived in Greene Co. Pa. and some of his descendants came to Monroe Co.

(5) Martin Baker, born circa 1780-1783. One source: someplace gives his birth as Oct. 10, 1780. He is listed as aged 70 in the Monroe Co. 1850 census, and he died 27 April, 1857.

Capt. John Baker, No. 317289, however, I do not have a copy of that paper. Paper #319705 also indicates that Elizabeth Sullivan and Capt. Baker were married at Philadelphia, Pa. in 1765. Mr. Earl Carson of Boyne City, Michigan, also interested in this family, has stated that he believes Capt. John was married once prior to his marriage to Elizabeth Sullivan. Therefore if he and this DAR paper are correct and that marriage was in 1765, then Henry Baker (#1 in this column) born 1762/63 could not have been the son of Elizabeth Sullivan.

With the aforementioned 6 children, there are possibly 5 more, although I have no way of determining a birth-date for them, based on my limited information. (7) Joseph Baker, supposed to have married Mary Findley, Oct. 18, 1797, which record is also supposedly in Ohio Co. W. Va. (8) George Baker, died about 1845, and buried at Graysville, W. Va. (9) John Baker, Jr. killed by Indians in May, 1794 at the Battle of Captina Creek. (See Hardesty's HISTORICAL HAND ATLAS OF MONROE CO., page 205). Some sources say this John, Jr. had children, and going on that assumption, we could assume he was around 20 or older when killed, or born circa 1774 or prior. (10) Betsey, or Elizabeth, also supposed to have been killed by Indians, and (11) Mary who supposedly married Christian Gatts. (This name also sometimes Gates, Gitts, Kitts, Goetz, etc. and from around Washington Co. Pa.) There were also several men of this name. (See Baker-Yoho Col. 1 published two weeks previously) There we have Christian Kitts, Sr. who died between Nov. 1788 and Apr. 1789 (no wife given) with a son, Christian, Jr. Then there is the Christian Gatts and Mary, his wife, who sold 1/11th part of Peter Yoho's land in 1828 (See Baker-Yoho Col. 1 published two weeks previously and the column dated Aug. 3, 1972.) The Mary Gatts in that record was supposed to be a daughter of Peter Yoho and Margaret Baker, (child #2 in this column) so she could not be this No. 11 child of Capt. John Baker. Perhaps she was the wife of the Christian who left the will in Washington Co. Pa. and had also died by 1789.

Any further attempt to sort out this family must be done in the 1790 and 1800 census schedules of Ohio Co. Va. or Washington Co. Pa. or deed records of those two counties. If any reader has more information to add, or questions to pose, I would be glad to hear from him. I have also heard from Mrs. George C. Schempp, 164 Oakwood Lane, Ithaca, N. Y. who is a descendant of Capt. John Baker.

N N N

2
He was married twice, first wife unknown, and 2nd wife was Sarah Farnsworth, and that marriage took place in Belmont Co. Feb. 16, 1812. It was probably recorded in Belmont Co. prior to the formation of Monroe, but the Bakers probably already lived in Monroe Co. near Woodsfield in 1812. For his descendants see my book, MONROE CO. OHIO RECORDS, Vol. VIII, pp. 98-100.

(6) Isaac Baker was born Feb. 1782 and died in 1865. N.S. DAR paper No. 319705 is for descent from Capt. John Baker through this son. That paper gives Isaac's birth as 1782 and death as 1865. It also states his wife was Ruth Brooke. Hardesty's HISTORICAL HAND ATLAS OF MONROE CO., published in 1882, gives her name as Brock. I believe Brock is more likely, as Brocks also lived in Monroe Co. However, some of the Belmont Co. histories give her name as Ruth Perkins. Page 9 of Hardesty's HISTORICAL HAND ATLAS, MONROE CO. states, "John Nelson Baker, born this county (Monroe) March 8, 1823, son of Isaac Baker who died in 1865 and Ruth BROCK, who died in 1844." The lady who submitted the DAR paper was descended from Isaac and Ruth Baker through another son, George Washington Baker (1802-1880) and Nancy Floyd (1803-1859) who were married in 1821. This paper also refers to an earlier one for proof of service for

Henry was supposedly captured by Indians in 1781 when he was about 18 years old but must have been rescued, or made his escape some way, as some sources show that he married Elizabeth Parr in 1785, and then Nancy Swaney in Belmont Co. Ohio Feb. 24, 1825. That record is supposed to be in Belmont Co. I also have a note that the Moundsville, W. Va. library has some information on him.

(2) Margaret Baker Yoho, wife of Peter Yoho (Rev. Soldier) The 1830 census according to Mr. Parsons gives her age in 1830 as 60/70, which would give her a birth date of 1760/1770.

(3) Catherine Baker Yoho, wife of Henry (Rev. Soldier) She was supposed to be a twin to Margaret, so born between 1760/1770.

(4) Jacob Baker. He was born in 1775 and died in 1861. His descendants are given in this column under date of Feb. 8, 1968, and also in my book, Monroe Co. Ohio Records, Vol. VI, p. 82-86. He married Mary Steen; see Deed Book 1, Jefferson Co., Ohio, which clearly states, "Jacob Baker of Va." the name of Steen, according to Dr. Raymond Bell of Washington, Pa., is also the same as Stephens. An Andrew Stephens (Steen) lived in Greene Co. Pa. and some of his descendants came to Monroe Co.

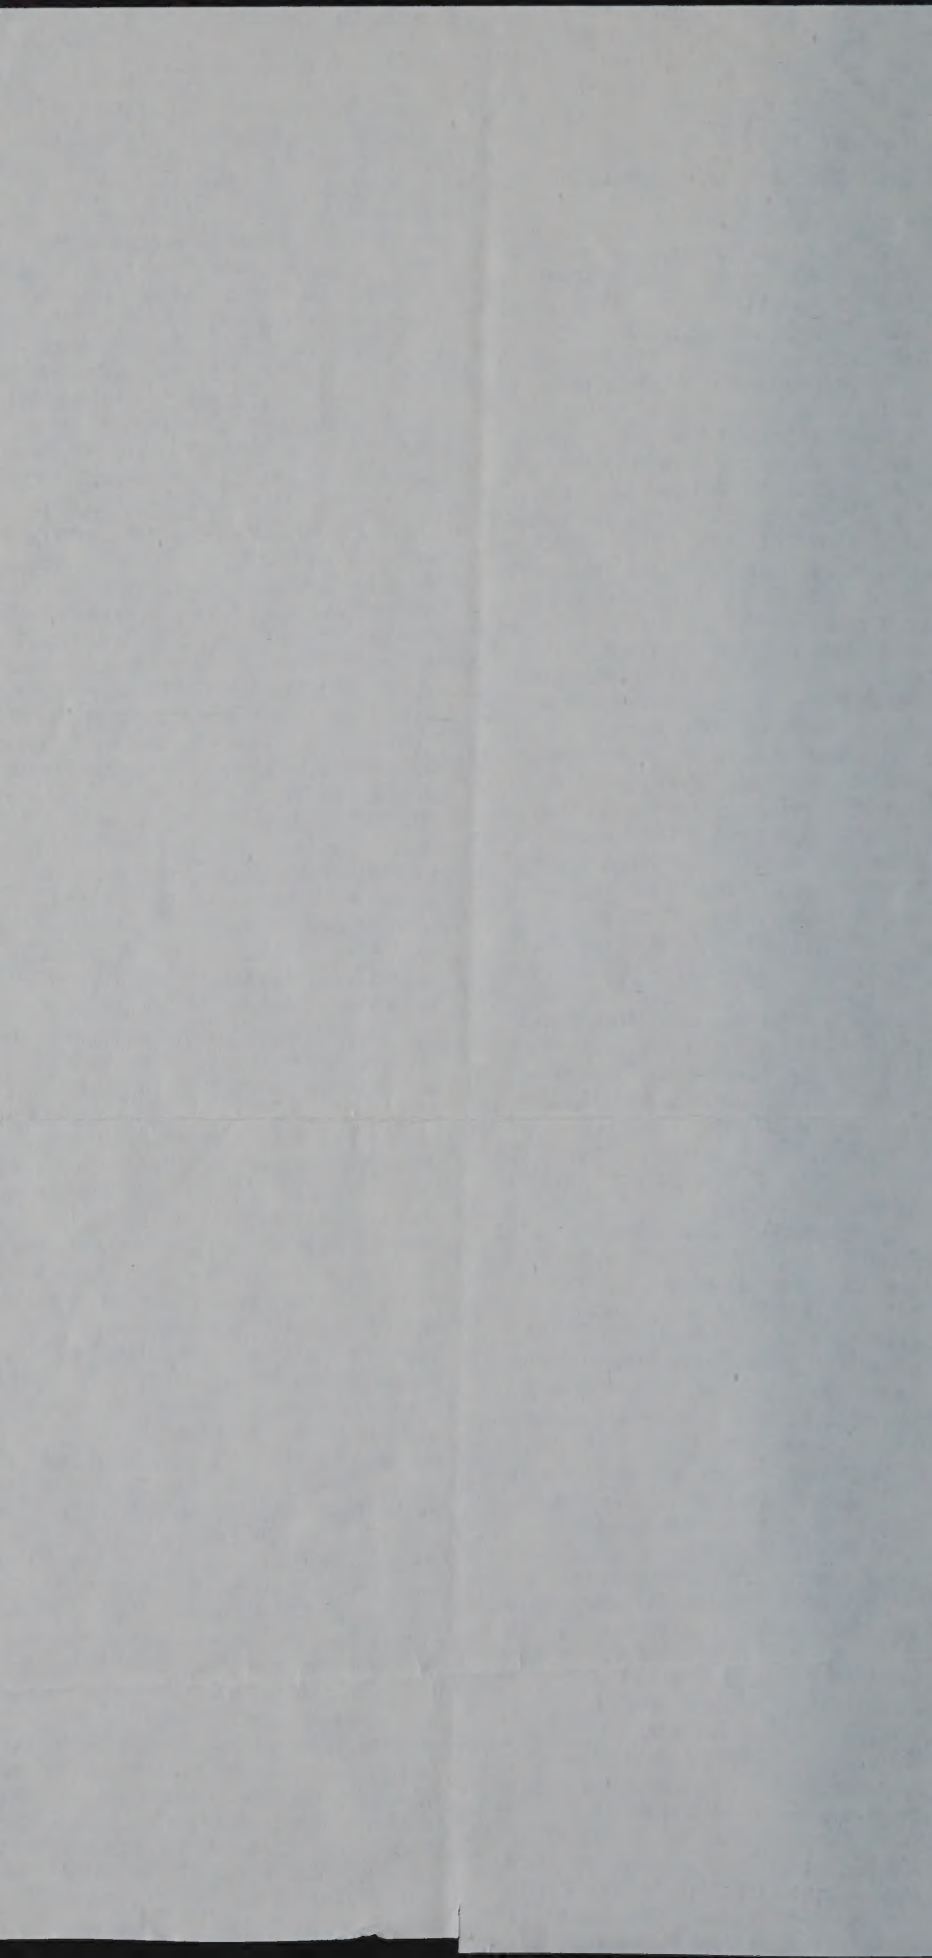

(5) Martin Baker, born circa 1780-1783. One source, someplace gives his birth as Oct. 10, 1780. He is listed as aged 70 in the Monroe Co. 1850 census, and he died 27 April, 1857.

Capt. John Baker, No. 317289, however, I do not have a copy of that paper. Paper #319705 also indicates that Elizabeth Sullivan and Capt. Baker were married at Philadelphia, Pa. in 1765. Mr. Earl Carson of Boyne City, Michigan, also interested in this family, has stated that he believes Capt. John was married once prior to his marriage to Elizabeth Sullivan. Therefore if he and this DAR paper are correct and that marriage was in 1765, then Henry Baker (#1 in this column) born 1762/63 could not have been the son of Elizabeth Sullivan.

With the aforementioned 6 children, there are possibly 5 more, although I have no way of determining a birth-date for them, based on my limited information. (7) Joseph Baker, supposed to have married Mary Findley, Oct. 18, 1797, which record is also supposedly in Ohio Co. W. Va. (8) George Baker, died about 1845, and buried at Graysville, W. Va. (9) John Baker, Jr. killed by Indians in May, 1794 at the Battle of Captina Creek. (See Hardesty's HISTORICAL HAND ATLAS OF MONROE CO., page 205). Some sources say this John, Jr. had children, and going on that assumption, we could assume he was around 20 or older when killed, or born circa 1774 or prior. (10) Betsey, or Elizabeth, also supposed to have been killed by Indians, and (11) Mary who supposedly married Christian Gatts. (This name also sometimes Gates, Gitts, Kitts, Goetz, etc. and from around Washington Co. Pa.) There were also several men of this name. (See Baker-Yoho Col. 1 published two weeks previously). There we have Christian Kitts, Sr. who died between Nov. 1788 and Apr. 1789 (no wife given) with a son, Christian, Jr. Then there is the Christian Gatts and Mary, his wife, who sold 1/11th part of Peter Yoho's land in 1828 (See Baker-Yoho Col. 1 published two weeks previously and the column dated Aug. 3, 1972.) The Mary Gatts in that record was supposed to be a daughter of Peter Yoho and Margaret Baker, (child #2 in this column) so she could not be this No. 11 child of Capt. John Baker. Perhaps she was the wife of the Christian who left the will in Washington Co. Pa. and had also died by 1789.

Any further attempt to sort out this family must be done in the 1790 and 1800 census schedules of Ohio Co. Va. or Washington Co. Pa. or deed records of those two counties. If any reader has more information to add, or questions to pose, I would be glad to hear from him. I have also heard from Mrs. George C. Schempp, 164 Oakwood Lane, Ithaca, N. Y. who is a descendant of Capt. John Baker.

BAKER-YOHO (1)

There are certain ground rules for genealogical research, and one of these is to be specific about sources of information to prove lineage. In the interests of posterity and in the event these columns are ever read by future generations, I do try to give my sources of information. Trying to reconstruct early Monroe Co. families is a difficult task at best, and there is sometimes conflicting information to be had, so it seems apparent that in such cases of conflicting information the reader will just have to judge for himself which source is the more credible, or else set out to prove it for himself.

The above paragraph was occasioned by a letter I received from Mr. Dean E. Parsons, 8818 E. Durante Road, San Gabriel, California 91775. He states he is descended through 4 lines from Capt. John Baker and his wife, Elizabeth Sullivan Baker. She is buried in the Steed Cemetery near Woodsfield (see these columns under date of Feb. 8, 1968, July 13, and July 27, 1972. Capt. John was killed by Indians near Baker's Station. The exact location of that Fort is given in W.Va. History, Vol. 1, #2, Jan. 1940 - page 121 - "Bakers Fort was erected in 1782 by Capt. John Baker and located at the head of Cresaps Bottom, Mead District now Marshall Co. W. Va. It was designated in many contemporary records as Bakers Station and sometimes as Cresaps Fort." Other sources locate it as being a little way below the mouth of Captina Creek (Which flows into the Ohio River a short distance north of the Monroe-Blenmont Co. line) on the Virginia side of the river.

He brought to my attention some conflicting information given in those earlier columns, so let us try again this week to see if we can see where the error lies. Mr. Parsons stated that in the July 27, 1972 article I stated that Henry Yoho (Rev. Soldier) mar. an Elizabeth Baker, and in the July 13, 1972 article I stated that the same Henry Yoho had married a Catharine (presumably Baker.)

So I am caught with my names mixed - now to see where I got the information I used in those columns. Among the notes in my oversized file on the Baker family, I find this: "Mrs. Ada Finnicum, 210 So. G. St., Lompac, California 93436, has proven (Rev.) service for Peter G. Yoho, who married Catharine". From a deed record

Caty who mar. John Parsons -- All this is erroneous too, I believe, based on further information from Mr. Dean Parsons to be given in next week's installment. The DAR Patriot Index states this Rev. Soldier (HENRY YOHO 1752-1845) was married to a lady named Catharine (and according to Mr. Dean Parsons, she was nee Baker). So the information in the July 13 column, 1972, came from the DAR Patriot Index, which I would take as being more probably correct. After writing these columns for about 5 years, it is impossible for me to remember every name and date I use. Mrs. Marjorie Kilander, a genealogist friend of mine, is attempting to index all the names in these columns, so when that is done, perhaps finding things will be much simpler.

If Henry Yoho's wife was Catharine Baker, then Mrs. Finnicum probably has the name of Catharine for Peter Yoho (brother of Henry) also in error.

Mr. Parsons believes that the Rev. Soldier, PETER YOHO, was married to MARGARET BAKER, and that Catharine Baker and Margaret Baker were twin daughters of Capt. John Baker. He said that Peter Yoho is listed in the 1820 census in Ohio Co. Va. over 45, but not in the 1830 census. However, in 1830 there is a MARGARET

with one daughter, 15/19. He also has a record of the sale of this Peter's property on Oct. 1823, and Christian Gatts was the administrator. This is probably recorded in Ohio Co. W. Va. although he did not so state.

The use of the same given names in succeeding generations further frustrates efforts to untangle these families. In Washington Co. Pa. -- Will Book 1, page 98, there is a will for Christian Kitts, dated Nov. 29, 1788, probated April 1, 1789, and his children were Andrew, Nicholas, Christian, (Jr.) Mary Elizabeth, only daughter. The executors were his brothers George and Valentine. George Kitts is probably the same as the Belmont Co., Rev. Soldier, George Gates, whose name is given in different sources as Kitts, Gates, Goetz, Gatts, etc. and this too tends to add to the confusion.

Mr. Parsons also stated he has a land transaction dated 1838 (probably from Ohio Co. Va.) although he did not say) in which HENRY AND CATHAPINE YOHO sold land to Joshua Garner, who was their son-in-law.

To Be Continued.

###

in Ohio Co. Va. dated 24 Mar. 1828, it seems that 9 of this Peter's heirs sold his property to a Henry Yoho, Jr. (See the column dated Aug. 3, 1972) Mr. Parsons wrote for this record and gave me this information: "The price was \$450.00 for a certain piece of land in Ohio Co. Va. on Fish Creek, being part of an original survey granted to Abijah McClain by patent the first day of Sept. 1785, and conveyed by said McClain to Peter Yoho, being nine undivided shares or parts of said 170 acres, the whole consisting of eleven undivided parts or shares." Therefore, from this information Peter must have had 11 heirs at his death. I think that Henry Yoho, Jr., (which designation does not always mean "son" but sometimes "nephew") was son of Peter, and perhaps nephew of Henry. Henry, Jr., probably held one/eleventh part in his own right, with another heir someplace to make the 11th one. Mr. Parsons also told me that Ohio Co. Deed Book 19, page 379 shows that Simon Archer and his wife, Margaret Yoho, sold a share of the same 170 acres to Henry Yoho Jr., so she must have been the 11th heir. This Simon Archer was not the son of Capt. James Archer of Monroe Co.

Mrs. Finnicum's material also mentions "HENRY YOHO (Rev. Soldier) who mar. Elizabeth Baker," so that is where I got the information in the July 27, 1972 columns. (She also said the children of this couple were Geo. Yoho, mar. Rachel Garner, James Yoho, who mar. Polly Garner, twins Elizabeth who mar. Thos. Ruckman, and Margaret who mar. H. Parsons and

perhaps he will take the hint and make a chart, and send me a copy.

Mr. Parsons sent me a chart of the children in the Family of Henry Yoho and Annabell Buchanan family. He seems to think that Mrs. Finnicum has information on the Rev. Soldier Henry Yoho's family mixed up with Henry and Annabelle family. He has been in contact with a Mrs. Golda Booth of Moundsville, W. Va. a granddaughter of Jeashue Parsons and Catharine Yoho, and her mother was the source of her information on the Henry-Annabell Yoho Family.

She took the dates for this Henry Yoho from his tombstone - Oct. 26, 1781 - Dec. 5, 1862 and also stated that these dates were from Annabell's tombstone Nov. 23, 1780 - Jan. 31, 1873.

The children, according to Mrs. Booth were JAMES YOHO, born 1-27-1818, died 7-25-1900, mar. **Polly (Mary) Garner**; (2) GEORGE YOHO 12-21-1806 - 8-17-1890 - mar. BAKER - YOHO - 2nd Installment

This is the way Mr. Dean Parsons traces his lineage on 4 lines back to Capt. John and Elizabeth Baker. Two are on his paternal side, and two on his maternal side.

PATERNAL (1) - His grandfather, Wilfred W. Parsons (2/13/1876 - 4/19/1943) was the son of Henry Seth Parsons (10/12/1846 - 6/27/1877) and Mary Ellen Garner (8/22/1848 - 8/13/1883) Mary Ellen was the dau. of Henry Garner (9/15/1812 - 3/13/1901) who in turn was the son of Joshua Garner (1781 - Oct/1867) and Mary Yoho, who was the dau. of Henry Yoho and Catharine Baker, dau of Capt. John Baker.

(2) - Henry Seth Parsons (see above, was the son of Joseph Parsons (D. 11/8/1846) and Margaret Yoho (8/18/1816 - 8/7/1887) who had a twin sister Catharine Yoho mar. to Jeahue Parsons, brother of this Joseph) and Margaret Yoho Parsons was the dau. of Henry Yoho and Annabelle Buchanan (B. 1780 - D- 1/3/1868. This Henry was the son of Margaret Baker and Peter Yoho (Rev. Soldier) with Margaret being the dau. of Capt. John Baker.

His maternal lines (3) and (4) go like this: (3) His grandmother was Rosa Bell Goddard Parsons (4/19/1878 - 11/13/1950) who mar. Wilfred W. Parsons - see (1) above. She was the daughter of Robert Randolph Goddard (5/1/1849 - 1/16/1932) and his wife, Catharine "Cassie" Yoho (4/15/1848 - 8/7/1916). Cassie Yoho, in turn, was the dau. of George Yoho (12/12/1806 - 8/17/1890) and his wife Rachel Garner (2/29/1808 - 9/25/1868). Here is where he picks up the 4th line - George Yoho was the son of HENRY AND ANNABELLE YOHO (see also 2 above) and Rachel Garner Yoho was the dau. of Joshua Garner, (b. 1781 - d. Oct. 1867) and his wife Mary Yoho. Going back through Henry Yoho, he gets to Peter Yoho, Rev. Soldier and Margaret Baker Yoho, dau. of Capt. John Baker; and going back through Mary Yoho Garner, we find she was the dau. of Henry Yoho (Rev. Soldier) and Catharine Baker, dau. of Capt. John Baker (see also #1 above.)

The only way to really do this family is to chart it, and perhaps use different colored inks for the various lines. Writing it down in this manner becomes confusing after a few generations. That is why I like for people to chart their families when writing to me for information. After a few letters of this type, I really begin to become dizzy. I guess one could use the chart that was printed some weeks previously to sort out all the relationships here, but the very thoughts of trying to start on this family, gives me mal-de-mer. Mr. Dean Parsons says he subscribes to this paper, just to read this column, so perhaps he will take the hint and make a chart, and send me a copy.

Mr. Parsons sent me a chart of the children in the Family of Henry Yoho and Annabell Buchanan family. He seems to think that Mrs. Finnicum has information on the Rev. Soldier Henry Yoho's family mixed up with Henry and Annabelle family. He has been in contact with a Mrs. Golda Booth of Moundsville, W. Va. a granddaughter of Jeahue Parsons and Catharine Yoho, and her mother was the source of her information on the Henry-Annabell Yoho Family.

She took the dates for this Henry Yoho from his tombstone - Oct. 26, 1781 - Dec. 5, 1862 and also stated that these dates were from Annabell's tombstone Nov. 23, 1780 - Jan. 31, 1873.

The children, according to Mrs. Booth were JAMES YOHO, born 1-27-1818, died 7-25-1900, mar. Polly (Mary) Garner; (2) GEORGE YOHO 12-21-1806 - 8-17-1890 - mar. Rachel Garner; (3) PETER YOHO 12-12-1808 - 3-23-1887 - mar. Mary L. Mayhall (4) HENRY B. YOHO - 4-10-1826 - 1-24-1908 - mar. Catherine Kelley; (5 & 6) Catherine Yoho - died 7-21-1876 mar. Jeahue Parsons and her twin, (5 & 6) Margaret Yoho - died 8-7-1887, mar. Joseph Parsons; (7) Mary Yoho - b. 1823 . mar. Wm. Yoho (8) Elizabeth

Yoho, mar. Thomas Ruckman. I imagine all these persons lived in W. Va., but Mr. Dean Parsons did not state where they lived.

The mother in the above family, Annabell Buchanan Yoho, was the daughter of William Buchanan, late of the county of Monongalia, whose will can be found in Ohio Co. Will Book II, page 60 - dated 21 Jan. 1813, and proved at Aug. term. He left bequests to "my dau. Geen Morgin, \$20.00 to be paid when my land in Monongalia Co. is sold," also bequests to his children, MARGARET STRAYER, MARY GRAM, ANIBEL YOHO, REBECCA BURTON, ELONER RINE, WILLIAM BUCHANAN, EBENEZER BUCHANAN, Granddaughter Mary Brattan, and son-in-law JOHN STRAYER.

There was a William Buchanan who lived near Buchanan Church outside of Woodsfield on the Lewisville Road - he could have been the Wm. in this will, but I have not specifically tried to prove that assumption.
(To be continued.)

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

He was married twice, first wife unknown, and 2nd wife was Sarah Farnsworth, and that marriage took place in Belmont Co. Feb. 16, 1812. It was probably recorded in Belmont Co. prior to the formation of Monroe, but the Bakers probably already lived in Monroe Co. near Woodsfield in 1812. For his descendants see my book, MONROE CO. OHIO RECORDS, Vol. VIII, pp. 96-100.

(6) Isaac Baker was born Feb. 1782 and died in 1865. N.S. DAR paper No. 319705 is for descent from Capt. John Baker through this son. That paper gives Isaac's birth as 1782 and death as 1865. It also states his wife was Ruth Brooke. Hardesty's HISTORICAL HAND ATLAS OF MONROE CO., published in 1882, gives her name as Brock. I believe Brock is more likely, as Brocks also lived in Monroe Co. However, some of the Belmont Co. histories give her name as Ruth Perkins. Page 9 of Hardesty's HISTORICAL HAND ATLAS, MONROE CO. states,

"John Nelson Baker, born this county (Monroe) March 8, 1823, son of Isaac Baker who died in 1865 and Ruth BROCK, who died in 1844." crucial because it is with them that these people will serve. A negative response by a steering committee member should be a reason to reevaluate the candidate. As we have already alluded, the final approval must come from the Executive Director.

August, 1984

Dear Friends:

As I look ahead I sometimes become more like our little friend than I'd like to admit. I suppose I'd like to think that I have a lot of faith, but I must confess there are times when I'm a bit overwhelmed with the climb. When I reach those points in the work, God always reminds me of some basic principles:

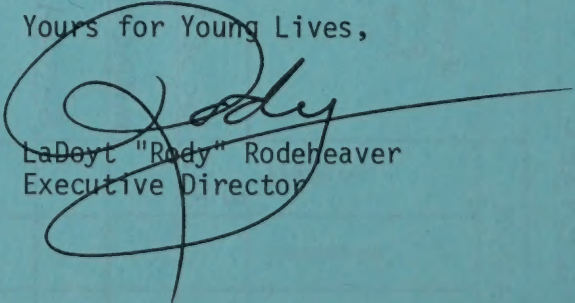

1. It's His work not mine - "He's In Charge."
2. He never calls us to do a task without providing everything we need to complete the task.
3. God raises up people to join hands and give to the cause.
4. God's timing is always perfect and it's set to an eternal clock.

This year the mountains before us are larger than ever. The Father is faithful and His principles are sure. I'm trusting Him for what lies ahead in the fall of '84'. The In Touch shows some of those challenges and I'll be updating you in the coming months.

To move into the fall confidently and to keep from falling behind financially we need to have a strong August (typically a weak-giving month). Perhaps you would consider a special gift to Youth for Christ this month. Join hands and help us climb strongly into the autumn.

We have so many people who so faithfully support our work of sharing Christ with young people. Thanks again for your prayers and gifts.

Yours for Young Lives,

LaDoyt "Rody" Rodeheaver
Executive Director

spiritualizing a meeting but in many instances it is the vehicle through which we educate; we focus on ministry; we minister to each other's needs. One of the things that should be given a lot of attention as the devotionals are being thought through is how may I touch on the aspects that need to be present in our meeting through this devotional? Just giving the steering committee a warmed over version of your last club wrapup is not an effective devotional. You might be the person that God's going to use to bring about a key spiritual encounter for one of those people. God has not called you to just work with kids.

As an attempt to provide a working outline, we are going to lay out a suggested yearly meeting game plan. Let me preface that game plan by saying that it is important to schedule the year's meetings in advance with your steering committee. Though the meetings are casual, their calendar is not! Having meetings scheduled in advance is a statement about the priority of the activity. You will notice as we list the meetings we sometimes list two months together. The emphasis point here is that there is freedom to move these meetings from month to month. What we are trying to point out is the general emphasis for that time of year. Every steering committee should have at least six meetings a year and not more than eight.

MAY-JUNE: Review your ministry year
Set dates for next year's meetings.
Talk about year end logistics.
Discuss banquet and table host reception.
Select a steering representative for the banquet (Allen Co. or select the banquet task force for outlying areas)
Illicit volunteer helpers for student leadership retreat in the fall.
Give the overview of the summer ministry plans.
If applicable, discuss new prospects for steering committee.

AUGUST: Introduce any new steering committee members.
Strategy for table host reception.
Continuing to plan involvement in volunteer student leadership retreat, Burger Bashes
Planning ahead - looking at ministry trips and discussing methodology as well as purpose
Getting steering committee people involved in ski trip, Florida trip and Mid Winter.
Share student leadership retreat concept.
Devotional Focus: A. God using volunteers to minister. Give God thanks for their openness to be used. B. Talk about the needs and challenges of the coming year. God sufficiency.

SEPTEMBER: No meetings. but intensify contacts with steering committee through table host reception, Burger Bash, table host follow up, etc.

OCTOBER: Hold meeting early in the month. Follow up table host reception.

have been doing it long enough to have a track record and have learned through the college of hard knocks. What we do know is that the steering committee is our basic unit of development and is comprised of two different applications. One that is utilized in outlying counties and then a slightly different variation for the metropolitan area. These variations will be discussed later in the manual.

One most recent set up has been in Whitley County and once again was a result of one individual becoming a catalyst. It was the Whitley County set-up that has really assisted in getting a lot of what had been up to this time experimentation, pioneering and sometimes well disguised "seat of the pantsism."

What I am sure of in regard to our history is that the steering committee concept has been a major stepping stone in bringing our organization from a small program with a few staff people to a much larger program with many staff people. Of course, the bottom line is not the number of staff but kids who have found Christ; and I believe there is a correlation between the stability of Youth for Christ in the grass roots to our effectiveness in reaching kids. Since that's our goal, let's move on and discuss the purpose of the steering committee.

Descendants of Eva Catrina Yoho - 2 JAN 1999

FIRST GENERATION

1. Eva Catrina Yoho was born on 26 MAY 1741 in Conewago Co, PA. She was christened on 25 JUN 1741. She died on 5 NOV 1825 in Greene Co, PA. She was buried in Shriver-de-Frise, Greene Co, PA.

Merged General Note:

Eva Catherine Yoho . According to Denver Clayton Yoho, Catherine Yoho is thought to be the daughter of Johannas Yoho who came to America in 1737. Catherine Yoho was the 2nd wife of George Lemley. Denver Clayton Yoho wrote: Eva Catrina Joho/Yoho, born in Conewago, now York and Adams counties, PA, in 1741, is likely the Catherine Yoho who married George Lemley. Alvah J. W. Headlee of Morgantown, WV has published, "George Lemley and wife Catherine Yoho and their descendents for Two Centuries." He didn't know Catherine's ancestry and only guessed she is the sister of Peter and Henry Yoho. (22 Apr 1988) .

She was married to George Lemley (son of David Lemley and unknown) in Greene Co, PA. George Lemley was born in 1742 in Philadelphia, PA. He died on 1 JUN 1813 in Greene Co, PA. Will 13 JUN 1813 He was buried in Shriver-de-Frise, Greene Co, PA. lived Chester Co 1737, Cumberland Co 1758, Bedford Co 1771

John and George Lemley came to America with their parents David Lemley and wife whose name we don't know. They came to Philadelphila, PA from Southhampton, England in 1723 with five sons and three daughters. One son, William was born while crossing the Atlantic Ocean. John was born in 1726 and George in 1733, both in Philadelphia. In 1737 the family is found in Chester Co, PA where they lived until David died in 1757. In 1758 the mother, 2 daughters and 2 sons removed to Cumberland Co and in 1771 they removed to the territory which later became Bedford Co. John and George married and took their families to Winchester Valley, VA where they lived several years. In the year 1765 John Lemley and a friend, Peter Barstow, made a trip up the James River and via an Indian trail to the Monongahela river, on the the mouth of the Youghiogheny River and

then returned to their VA homes. They must have liked the Country as in 1772 they joined others who moved from the Winchester Valley to Monongalia Co in what is now WV where they took up land on Dunkard Creek.

Following an enlistment in the Revolutionary War and several months with the Morgan band of Indian Rangers, they decided to locate in Perry Twp on land that lay on both sides of the Mason-Dixon line. When he attempted to warrant it in OCT 1786 he found Henry Frakes, a "Westmoreland Dutchman" had already done so. The land was surveyed again and through much pro and cons the land went to the Lemleys in 1793. It became known as the "Shriver Prize" containing some 388 acres. He also had 419 acres which was called Lemley's Place and still later acquired more land he called St. George. All were on Dunkard Creek. George Lemley married Catherine(1778) whose maiden name we don't know, and they had eleven children according to his will probated 13 JUN 1813. John, Jacob, George, Samuel, Peter, Isaac, David, Mary, Susannah, Rachel, and Catherine. He made sons Isaac and David his executors.

Merged General Note:

George Lemley . Some of the data on the George Lemley family supplied by Mrs. Sue Heintzman. Problem: Was the date of death, 1 Jun 1813 or 11 Jun 1813? . George Lemley was a pioneer settler of Greene County, Pennsylvania, locating on "Lemley's Plain," along Whiteley Creek in 1784 and at his "Shiver-de-Frise" plantation along Dunkard Creek, just north of the Mason-Dixon Line, in 1794. He married Catharine Yoho, and many of their descendants moved south to become prominent citizens of Monongalia County. (Source: "The Monongalia Story" by Earl L. Core, Chapter Ninety-three: 1869, p. 623 - (after A.J.W. Headlee) - furnished by Bill L. Yoho) . . The George Lemley family later lived in Belmont Co., OH. . The history of the Lemley family has been recorded in, "George Lemley and wife Catherine Yoho and their descendants for two Centuries," by Alvah John Washington Headlee, 1975.

First Immigrants: Johannes and Susanna Yoho

The first recorded evidence of Yoho immigrants to the US was in 1738. Pennsylvania German Pioneers (Genealogical Publishing Company 1966) recorded a list of all the Palatine Passenger on board the ship "Snow Two Sisters", James Marshall, Master, from Rotterdam, last from Cowes in England in the year 1738. The ship landed in Philadelphia.

Among the passengers were Johannes Joho age 37 and Sussana Joho age 44. It is interesting to note that the last name was also spelled Johe in the list of those signing or placing an "X" by their names in an Oath of Allegance. An "X" was placed by Johannes' name.

Johannes was reportedly born in Alsace a region and former province of East France between the Rhine and Vosges Rivers in 1712. His father, also named Johannes, was born in 1678 and was a Meat Cutter. He was reported to have served as a soldier in Alsace. He married Sussana Gelker and had at least four children: Johannes Conrad born 1705 died 1729, Johannes

Michael born 1718 died 1735, Johannes (the first immigrant), and Anna Maria born 1714 with death date unknown.

Sussana born in ca 1714 was the daughter of Theobald Lau who was a blacksmith in Sulzthal Alsace. The date of her death and burial site is not known.

Johannes and Sussana moved to Conewago in Adams/York County Pennsylvania.

Conewago is an iroquois name meaning below the riffles. Martin Kitzmiller first purchased this land in a proprietary tract known as "Digges Choice" in 1737. The tract as surveyed contained 6,822 acres and was described as lying on "Little Conewago Creek". It principally lay in what is now Adams County, but passed into York County. In this county it comprised the present limits of Germany and Conowago Townships.

In August 1745, a resurvey was made and 3,679 acres were added to the former survey. This tract was 4 miles north of the temporary line between PA and Maryland surveyed in 1732. Subsequent disagreements led to the murder of Dudley Digges by Jacob Kitzmiller in Feb 1752. From 1735 to 1752 Germans came by the thousands. In the fall of 1749 no less than 20 ships arrived in Philadelphia bringing 12,000 passengers. (Egle) For those looking for historical records, there are several churches in this area. Conewago Chapel was originally a Jesuit chapel and built in 1787. This chapel is on U.S. 30 four miles south of New Oxford. Christ Reformed Church is 3 miles east of Little Town and 5 miles north west of Hanover. The grave yard has graves of many pioneers.

While living in Conewago, Johannes and Sussana had 2 daughters. Maria Christina born March 14 1740. She was baptized on May 20 1740 with her sponsors being Janeslaus Wuchtel and Maria Christina Baumann. There is no known record of her marriage or death. Eva Catarina was born May 26 1741.

She was baptized June 25 1741 with her sponsors being Wentzel Buchtrueckel and wife. Eva married George Lemley. George settled just north of the Mason Dixon Line along Dunkard Creek in 1797 on a tract of land named in the patent "Cheval-de-Frise". Family tradition says he was born in Germany about 1742. He died June 11, 1813. Eva his second wife bore him eleven children. She died Nov 5, 1825. (Core)

Johannes and Sussana moved to near Winchester Virginia. The date is unknown but must have been approximately 1745. Their oldest son Peter was born in 1745 eighteen miles from Winchester. The exact location of their land may near or on a tract sold by another son John to Alexander Machir in 1771. See Deed. Seven additional sons and daughters were born to Johannes and Sussana while they lived near Winchester. The histories of three of the sons Henry, John, and Peter is discussed in another section.

* Peter: Born 1745 died 1823; Married Margaret Baker. Buried in Yoho Cemetery Near Graysville Marshall Co. W Virginia.

* John: Born ca 1746 Death date unknown.

* George: Birth date unknown. Reportedly killed by indians in Ohio County Virginia in 1795. He reportedly bought 400 acres in Fayette County, PA on Feb. 4, 1794 which was sold for taxes on Dec. 10, 1822. there is no record of his marriage.

* Henry: Born 1752 Died March 12, 1845; Married Catharine Baker

* Prudence: Birth and Death dates unknown; Married Vincent Parsons

* Jacob: Born July 8, 1765 Died Aug 24, 1851 Guernsey Co. Ohio. Buried in Yoho Cemetery. Jacob brought his family from Vintondale (Cambria County, PA) and went to Noble Co., Ohio (now Guernsey Co., Ohio), Wayne Township where they settled on Willis Creek in 1808. They had twelve

John and Susan moved to near Winchester Virginia. The date is unknown but must have been approximately 1745. Their oldest son Peter was born in 1745 eighteen miles from Winchester. The exact location of their land may rest on a tract sold by another son John to Alexander Machin in 1771. See Deed. Seven additional sons and daughters were born to John and Susan while they lived near Winchester. The histories of three of the sons Henry, John, and Peter is discussed in another section.

The final move of Johannes and Sussana was to Western Virginia now West Virginia. They settled in what is now Marshall Co. near Fish Creek in the Ohio Valley which is in the northern panhandle of the state. They probably arrived sometime shortly prior to the Revolutionary War. Their son John sold his land near Winchester in 1771 and probably joined his family in Western Virginia. Virginia tax records of 1785 and 1795 lists John, Jacob, Peter, and Henry as living near Fish Creek. Johannes died ca 1795 and is thought to be buried in the Yoho Cemetery. Sussana's death date is not known. She is probably also buried in the Yoho Cemetery.

III. OK, Wiley, you've invented the wheel. What is the wheel?" (Purpose)

In John Naisbitt's runaway best seller, Megatrends, an entire chapter is devoted to the decentralization. Naisbitt emphasizes local ownership and grass roots movements when he says, "Centralized structures are crumbling all across America. But our society is not falling apart. Far from it. The people of this country are rebuilding America from the bottom up into a stronger, more balanced, more diverse society." I am not sure that I agree with John Naisbitt 100% but what I do know is that in its basic element the steering committees are local groups of adults who sense an ownership and a concern for young people and a desire to share the gospel of Christ with them through the vehicle of Youth for Christ.

Everybody needs a definition; therefore, let me define a Youth for Christ steering committee. It is a group of people who assist in the establishment, promotion of, and maintenance of a Youth for Christ ministry in their local area by working through the local staff person and being responsible to and under the leadership of the Executive Director and the Board of Directors of Youth for Christ. Their prime areas of responsibility are building a financial base, staff support, community liaison, and ministry focus.

The very title steering committee is an indication that it has not been structured to become a legal entity such as the Board of Directors. There is only one Board of Directors. We have representatives serving on our board from our steering committees who act as liaisons from their steering committee. One of our goals with the steering committees is to create a strong ministry focus so that a great deal of the time spent in steering committee meetings is directed towards knowing what's happening in the ministry and developing for the steering committee a picture of what God's doing through the staff person and volunteers. The steering committee will not spend time making decisions that so often keep us from enjoying the ministry. We have all sat on boards where the color of the carpet to be purchased became the most significant thing; or how many times you stand or sit in a service, or where are we going to borrow x number of dollars to get us through this cash flow crunch became the prominent issue. Because the steering committee is not the policy making body of Youth for Christ, those types of things don't take place. We have done that purposely to provide opportunity for more ministry focus at the grass roots level.

We make no secret about steering committee's assuming a major responsibility for fund raising. One of the important lessons we have learned from the past is that unless the community wants a ministry, we only struggle in vain to superimpose an unwanted program on that community. One of the best ways to gauge interest on the part of the people in a given area is their willingness to raise the funds. Therefore, the steering committee takes on the responsibility to create that kind of ownership in a given community. There are at times a hand in glove relationship with the headquarters office regarding the timing of

A TIRED WOMAN'S EPITAPH FOUND IN A NEW ENGLAND TOWN

" Here lies a poor woman, who always was tired;
 She lived in a house where help was never hired.
 Her last words on earth were:
 " Dear friends, I am going
 Where washing ain't done, nor sweeping or sewing;
 But everything there is exact to my wishes
 For where they don't eat there's no washing of dishes.
 I'll be where loud anthems will always be ringing,
 But having no voice, I'll be clear of the singing.
 Don't mourn for me now; don't mourn for me never..
 I'm going to do nothing for ever and ever.."

The dream that I have interwoven into the steps of steering committee development is that steering committees can evolve to the place where they are playing a major role in direct ministry primarily with the parents of the young people that we minister to. If, in fact and I believe it to be true, that our families are disintegrating, we must figure out ways of ministering beyond just the teenagers that we have contact with. Often the case becomes one of having what we have done with a teenager destroyed through the tension and problems in the home.

I believe the glue that will hold the steering committee concept together is the ability for the steering committee members to be spiritually fulfilled through their involvement on the committee. But a growth in their own personal growth by being given opportunities to involve themselves in the lives of other people. If that dynamic is taking place in a steering committee, you will not have to spend a great deal of your time motivating people to get them involved in the ministry. They will be motivating you.

II. "So what's the bright idea?" (History)

The hour was late and I had been on the air most of the day and a good part of the evening doing our first Youth for Christ Radio Care-a-thon. It had been an exciting day and lots of people had been calling in pledges; and from time to time during the day, people had called in and asked questions about various aspects of Youth for Christ. I was told a lady wanted to talk to me about starting a program at Norwell High School. At that point in my tenure as Youth for Christ director in the Fort Wayne area, I didn't even know where Norwell High School was. What I did know was that we hadn't covered all of our schools in the city and Norwell wasn't one of those schools.

The lady on the phone talked to me about her interest and the interest of other people in starting a Campus Life program at Norwell (I did not tell her I didn't know where it was). I was polite and told her that our first priority was covering schools in the city and we would get there as soon as possible. I gave her my non-negotiable "God bless you speech". She thanked me and hung up. I thought it would be like a lot of those calls where I would never hear from her again.

However, she kept calling and calling and calling. So finally, hoping to call her bluff and answer her question, "What would it take to get a club started here at Norwell?", I said, "Why don't you get a group of parents together and I will get with them." Her immediate answer was "I have already got a meeting set up for Tuesday night. Can you come?" Well, it was too early to get sick, and I didn't have any other answer but to say, "I'll see you on Tuesday."

Over 30 people showed for that meeting! I gave them the budget that was being used in a similar situation, suggested we do a fund raising banquet in January (lousy month for sharing dinners), and committed myself to look for a staff person. Well, a few miracles and one sharing dinner later, Norwell Campus Life was born and with it our first bona fide module steering committee. We weren't even sure of what to call it. We do know that because of an insistant parent, it was born and it has been extremely successful.

It became a prototype for what we are talking about in this manual. One of the reasons it worked was that there is a group of people who cared deeply about young people, who worked with myself and our staff, prayed for us, lived with our mistakes as well as our triumphs. But most of all, they became a team - committed to seeing young lives come to Christ through the vehicle of Youth for Christ.

The steering committee concept is not a new one; it's been used in other areas and by other organizations. We have simply tried to adapt it to our situation and we have spent a good bit of energy experimenting with various adaptations on the theme. It has been within the last several years that we have seen the steering committee concept gel. We

I am trying to find out more about these children. Have found names of John's issue:

1. Kurtis m. Chloie Kimball (talked to her on phone and got some of this.
2. Thomas m.Cunningham
3. Wesley married Belle Ullam
4. Clarence

Don't know for sure if these are correct.

SUGGESTED IMPLEMENTATION STEPS

Action steps for June, July, August, and September based on which stage you are in: Steering committee development should be designed to involve the greatest number of steering committee members in the most advanced stage possible. As in a Campus Life club, there will always be people in all stages of development.

Stage One - Organizational:

1. Prospecting - One on One - leads - kids parents.
2. Prospect information - gathering
 - a. Preinterview
 - b. Interview
 - c. Follow-up
3. Committee selection deadlines.
4. Organization meeting scheduled.
5. Steering committee manuals to committee.
6. Schedule complete year of meeting dates.
7. Acquaint yourself with mtg. agendas in St. Comm. Manual.
8. Evaluate & plan ministry methodological input.

Relationships:

1. Small group exercises as part of devotionals.
2. Specific ministry items.
3. Have steering comm. member prearranged to share personal testimony - need - etc.
4. Staff person share concerns - be vulnerable.
5. Club calendar - ministry report.
6. Associate staff share.
7. Staff share personal ministry goals.

Tasks:

1. Complete lay out of tasks for Burger Bash.
2. Assignment to committee.
3. Fall Banquet Committee - Deadline August. See sheet title banquet organization sheet. Work thru banquet committee Chairman in outlying modules.
4. Set goals for recruitment of table hosts - Allen County St. Comm. select Table Host Captain.
5. Dinner with st. comm. member individual.

I. FORWARD

Every book has one so we are going to have one too. The truth is a forward is better than a backward. The topic of this book, Steering Committees, is, in fact, the reason our organization has moved forward instead of backward. As you read through this manual, our purpose is to continue to provide for the continued growth of Youth for Christ. There is one thing I am certain of and that's that our growth comes as the result of many many people being committed to this organization.

There's a term that's used a lot these days "grass roots". This manual deals with the development of Youth for Christ's grass roots; steering committees.
